SRI VASAVI COLLEGE, ERODE

(SELF-FINANCE WING)

(Affiliated to Bharathiar University,
Coimbatore &
Re-Accredited by NAAC with 'B' Grade)

NATIONAL CONFERENCE ON RECENT TRENDS IN ARTIFICIAL INTELLIGENCE AND DATA SCIENCE (NCRTAIDS'26)

21st February 2026

Jointly Organised by
Department of Computer Applications
and Information Technology

ABOUT THE COLLEGE

Sri Vasavi College, Erode in 1967 under the aegis of Erode Vidya Sangam, has completed over five decades of dedicated service in the field of Higher Education. From its inception as a Pre-University College, it has evolved into a premier Institution offering a wide range of Under Graduate, Post Graduate, and Research Programme. The college offers 9 UG courses, 4 PG courses, and Research programme in 12 disciplines in the Aided section, while the Self-Financed Wing (SFW), inaugurated in 1994, offers 13 UG courses, 3 PG courses. It is a Co-Educational Institution affiliated with Bharathiar University, Coimbatore, and has earned NAAC accreditation with a 'B' Grade. Spread over a lush 27-acre campus, Sri Vasavi College provides State-of-the-Art infrastructure to its students. The Self-Finance Wing boasts about 250 computers across five labs, complemented by 24/7 Wireless Internet access. The College Library houses an extensive collection of over 21,000 volumes of books, along with 50 Journals and Magazines, catering to the academic needs of approximately 1000 Students and 65 Faculty members.

ABOUT THE DEPARTMENTS

The UG Department of Computer Applications was established in 1999–2000 with a sanctioned strength of 40 to offer the Bachelor of Computer Applications Programme, and the Department of Information Technology was introduced in 2008–2009 with a sanctioned strength of 50 to offer the B.Sc. (Information Technology) Programme. Both programmes aim to

provide a strong foundation for future IT professionals through a balanced blend of theory and practical papers. To ensure students gain practical exposure to software development, Various Knowledge and talent Exhibits opportunity and Expose given to the students to face corporate world through the Placement activities our students got placed in many reputed companies with high packages.

ABOUT THE CONFERENCE:

The National Conference on Recent Trends in Artificial Intelligence and Data Science (**NCRTAIDS'26**) is a premier platform aimed at bringing together researchers, academicians, industry professionals and students to explore the rapidly evolving domains of AI and Data Science. It serves as a dynamic forum to present innovative research, discuss emerging trends, and exchange ideas on the latest tools, frameworks, and real-world applications shaping the future of intelligent systems. Key theme of the conference includes machine learning, deep learning, natural language processing, computer vision, big data analytics, ethical AI, and the integration of AI in various sectors such as healthcare, finance, agriculture, and smart cities.

TOPICS OF INTEREST INCLUDE

Data Analytics	Deep Learning
Natural Language Processing	Ethical Hacking
Machine Learning	Image Processing
Cyber Security	Cloud Service
Communication Engineering	Computer Networks
Security & Applications	Block Chain Technology
Internet of Things	Social Network Analysis
Smart Wearable Devices	Big Data
Virtual Reality	Weather Forecasting
